

HR HEALTH CHECK

Self Assessment for business leaders

Welcome to your HR Health Check

You're in the right place.

DreamStoneHR's HR Health Check is a practical self-assessment designed to help business leaders review their current HR foundations, identify potential gaps, and understand where closer attention may be needed.

The assessment covers key areas such as employment documentation, policies, recruitment, onboarding, employee management, workplace conduct, safety, contractor arrangements and general HR risk.

Please log in or create your access using the email address connected with your HR Health Check. Once completed, you'll receive a personalised report with practical insights and suggested next steps.
