

HR HEALTH CHECK

Self Assessment for business leaders

Do you know what an Individual Flexibility Arrangement is under the relevant Award, and how to implement one?

We would not
be comfortable
implementing
an IFA

We have IFAs in
place and are
confident they
are correct

Do you know what is considered a General Protection under the Fair Work Act, and how to handle a claim?

Yes

No

How confident are you in addressing serious misconduct, such as theft, fraud, assault, intoxication in the workplace, sexual harassment or blatant breach of health and safety rules?

We would not
be comfortable
addressing
these issues

We are
confident that
we could handle
these situations
appropriately

How confident are you in addressing performance management issues, including a Performance Improvement Plan (PIP)?

I've never
undertaken a
performance
management
process or
wouldn't know
how

I am confident
that our
processes are
fair, reasonable
and clear

How confident are you managing conduct issues, such as regular lateness, bad language, poor presentation or misuse of company equipment?

We would not
be comfortable
holding these
conversations

We have
transparent
policies and
procedures in
place and know
how to follow
them
